Dear Parents and Carers

Symbio Excursion

This term Kindergarten will be studying the unit, 'Living Things' as part of our science curriculum.

To enhance the studies and talks focused on this topic, Kindergarten will be going on an excursion to Symbio Wildlife Park at Helensburgh on **Thursday 11th September**. The children will have the opportunity to observe many animals in their natural environment, learn about the animals and their habitats from the caretakers, and feed some of the animals.

The cost of this excursion is **\$42.00** which includes a bag of food for each child to feed the animals. Your child will need no other money on the day.

The children will leave school at 9:20am and return to school by 3:00pm. They are to wear their full school uniform, a hat, sunscreen and joggers as we will be doing lots of walking. The children also need to bring their morning tea, lunch and 2 drinks, clearly labelled in a small backpack.

Please make payment of \$42 and complete the permission note below OR online by Thursday 21st August.
