EPS 2024 Premier's Spelling Bee Years 1-6

Dear Parents and Carers,

The Premier's Spelling Bee is a fun and educational way for primary school students to engage with and improve their spelling.

The program includes activities that encourage students to become more confident users of language by broadening their vocabulary and promotes improved literacy skills in conjunction with the NSW English K-10 syllabus.

Our school has registered to participate and students who would like to be included in the Premier's Spelling Bee have elected to receive a note today. Please note that spelling word examples are not permitted to be provided electronically and will only be available in paper copy due to copyright. Stage 1 students will compete with Stage 2, completing the Junior Lists. Stage 3 will utilise the Senior Lists.

Stage groups will complete the Premier's Spelling Bee Competition during **Weeks 7 and 8 of Term 2**. One finalist from Years 1 to 4, and one finalist from Years 5 to 6 will be selected to participate in the Regional Finals.

Please complete the expression of interest form below so that class teachers and the coordinators are aware of students who wish to participate. Please return the form by **25th May 2024**.

For further information please visit the Arts Unit NSW website.
