## Year 6 shirts for 2024

There is a lovely tradition at Engadine Public School, where students in year 6 are allowed to wear a specially designed shirt as part of their school uniform. The students voted on a design earlier this week, which is shown below. Thank you to Polly P who came up with the concept behind the winning design.

The cost is \$40 for the first shirt, and \$36 for each additional shirt. This includes a small fundraising levy to kick start our fundraising efforts for next year. Feedback from past years parents and teachers is to order two or more shirts if you can, as most year 6 students wear this shirt every day.

Due to the fabric and cut of the shirt, it is recommended that you select one size up, compared to the regular school polo. For example, if you think your child would wear a size 14 school polo next year, please order them a size 16.

In order for the students to have their shirts ready in February next year, we need to place our order this month. Orders close Friday 24<sup>th</sup> November. **NO LATE ORDERS WILL BE ACCEPTED**

All year 6 student and teacher names appear on the back of the shirt. Please review the spelling of your child's name below and confirm it is correct when you place your order.
