

4 November 2024

Year 6 Shirts – Class of 2025

Dear Families,

Term 4 is well underway which means our Year 5 students will be entering into their final year of Primary School before you know it! We would like to commemorate their rite of passage with a specially designed Year 6 shirt.

Over the last few weeks the students voted for their favourite shirt design: Lightning Bay, which is shown here. The students will have their names printed on the back (for example: John S).

The cost to purchase a shirt is \$40 each which includes the set up of the design and a small fundraising levy to kick start our fundraising efforts for next year.

Orders can be placed via the following link or QR code below: t.ly/Og4p5.

Sizing info and comparisons are provided in the link above for ease of reference and ordering. We do have some sample shirts to try on. If the sizing information provided in the link is not sufficient for you to determine which size your child will need, then please email engadineps.classof2025@gmail.com and we'll arrange a time for your child to try these on.

A few things to remember when ordering:

- This is the only order that will be placed for the shirts so it is recommended that you order more than 1 shirt as the students generally wear this shirt everyday of the week for the whole year.
- When choosing the size, remember that it will need to fit your child this time next year so allow for room for growth.

Please ensure that all orders are submitted no later than **Monday 18th November** to ensure these shirts will be available for Term 1 2025. **No late orders will be accepted.**

If you have any questions or concerns please don't hesitate to contact the Committee via email: engadineps.classof2025@gmail.com.

Regards,
Year 6 2025 Committee
