6 February 2018

Dear Parents and Carers

Student Book Packs
Sale Day 2018

To facilitate the purchase of book packs, the school will be conducting a direct sale to students on **Wednesday, 21 February 2018**. It is hoped that all students will have sent in their payments for their workbooks by this day.

Attached is a list of school supplies required for the various classes, together with a total cost.

For security purposes, the preferred method of payment is online through our website with the Parent Online Payment (POP) facility. Payment also be can be made by cheque (made out to Engadine Public School) or credit card in person. If payments need to be made in cash, please write your child's name, class and the amount you are paying on the envelope.

Electronic programs, such as Reading Eggs, Matific and Ipad apps are availed of in class and the library as well as being available at home. These programs are proven to improve the academic progress of students. To access these programs for private use is in excess of \$99 each for Reading Eggs and Matific and hence a charge of \$30 through the school is a budget friendly option.

Note: Art folios will be held with Mrs Gizas in the art room until the end of the year when they will be sent home with your child's artwork inside.

Students will not receive their book pack until payment is made. If you envisage any difficulty in making full payment by the sale day, please contact the office before 21 February.

Karen Simula
(Acting) Principal
