Dear Parents and Carers,

**FORUMS : OPPORTUNITY TO BECOME INVOLVED IN PLANNING FOR FUTURE DIRECTIONS OF ENGADINE PRIMARY SCHOOL**

Engadine Public School, together with all schools in NSW, is gathering information and planning for the future direction of the school for the next 3 to 5 years.

We value the ideas and information that parents and carers may provide to contribute to decision making for the school. As such, we would like to provide the opportunity for forums of discussion where ideas can be tabled.

If you would like to contribute to ideas for the future direction of the school, please indicate your preference for a day (2:30 pm) or evening (6:30 pm) meeting, on Tuesday, 14 October, or Thursday, 16 October, 2014.

The location of the meeting will be dependent on numbers, but will be advised prior to the meeting date.

Kind regards,

Mrs Hendrika Green  
Principal

**RETURN TO SCHOOL PRINCIPAL BY Friday 19 September 2014**
