

9 February 2017

Dear Parents and Carers

### Introduction to the School Band

Your child has expressed an interest in joining our School Band.

Please discuss this with your child and sign the permission slip below to allow them to participate in an Introduction to Band session with our Band Director, Mr Matt Humphries.

Mr Humphries will be at school on **Thursday 16<sup>th</sup> February** to discuss instrument selection with your child and to trial the children for suitability. Keep in mind that there is a limited amount of each of the instruments in our school and we need to keep a balance of instruments across the band.

An extra-curricular program of this nature incurs a small cost to the students. Whilst every effort is made to keep these costs to a minimum, the program cannot be run without these funds. In order to keep the ensembles running smoothly, please ensure these fees are paid by the due dates. These fees are made up of an Instrument Hire (and repair) fee of \$20 per Term; and a Tuition and Music fee per Term of \$110.

**Try it – we are sure you'll like it!**
