Dear parents/carers,

It is lovely to see how quickly everyone is settling in to their class routines. The beginning of a school year is the perfect time to re-state and clarify school expectations and affirm school values, so you may be hearing phrases like 'hands and feet to yourself' and 'be a kind and caring friend'. I know Kindergarten is particularly reinforcing these aspects of our school expectations. You can help at home by discussing

what these statements mean: what does it look like to be a kind friend? Why do we need to keep our hands and feet to ourselves? We thank you for providing consistency between home and school expectations. This week we had a wonderful response to our parent information sessions and I know those who were able to attend would have been impressed by the teacher presentations and overviews of what is sure to be a rigorous year of learning and growth. Thank you to all our teachers who have planned and prepared for a great year ahead; I know they are all looking forward to working with you towards improved educational outcomes for each student. Later this term there will be an opportunity to meet individually with your teachers for a parent/teacher conference to discuss goals and progress.

On Wednesday of this week we had the staff of Engadine Coles visit our school with some treats of fresh fruit and bottled water for all our students. It was a lovely way to reinforce our focus on healthy eating and Crunch & Sip and we would like to thank the team and management from Coles, Engadine. I know they took some great photos which we hope to share with you in next week's newsletter. Next week we are looking forward to our school swimming carnival, so let's hope for some continuing good – but not too hot – weather! I can't wait to hear all the House chants and see our new Sporting House leaders in action.

At this time of year you will be experiencing 'School Note Overload'!! While it may seem overwhelming, please take the time to sort through the school bag and notes each afternoon so that you can update your calendars, sign any permission slips or complete requests for information and deal with any of the important invoices that relate to book packs and school contributions. Many thanks for your prompt return of notes and monies.

Finally, a reminder that our P&C Annual General Meeting is on this coming Monday, February 18th. I warmly invite parents and friends to attend, particularly families new to our school. It is a great way to meet people, make new friends and help out your school. There are some exciting projects on the boil this year, so jump in and lend a hand. Looking forward to meeting you there and sharing a coffee and a chat.

Have a sensational weekend and keep smiling. \odot

A reminder that all students are to be at school by 9.15am for roll call then walk to the pool in small groups. Students will return to school with their teacher – please do not take your child from the pool without signing them out first.

the pedestrian crossings and take caution – arriving safely always takes priority.

Also a reminder to our students to always use the pedestrian crossings that are around our school entries.
